SIGNAL OF OPTICAL DISKS WITH)	(November 3 was a Saturday)
FLUORESCENT READING)	

AMENDMENT

Hon. Commissioner for Patents
Washington, D.C. 20231

Sir:

The Office Action dated May 3, 2001, has been carefully considered. A Petition for a Three-Month Extension of Time is filed concurrently herewith to extend the due date for response to November 5, 2001 (as November 3 was a Saturday). In response to the Office Action, please amend the above-captioned application as follows:

In the Claims:

Kindly cancel claims 1-10 without prejudice to or disclaimer of the subject matter thereof.

Please add the following new claims. As the claims are not being rewritten with the same number, a separate submission under 37 C.F.R. §1.121 is not required.

11. A fluorescent single- or multi-layer optical disc for storing information, the disc comprising at least one information layer, said at least one information layer comprising:
a transparent film substrate;
